

## FUN PARK at KARTALO – Snowboard, ski, ski-doo and lots of other sporting activities

**Directions:** There are two routes to the Fun Park at Kartola. From Pamporovo travel towards Plovdiv. At the junction turn right up the mountain towards Rozen. At Rozen (near the hotel) either turn left toward the Observatory (take care - this road is sometimes closed through heavy snow) or continue down the mountain towards Smolyan.

At Sokolovci (at the bottom of the mountain road) turn left towards Momchilovtsi and following the signs toward Haidushki Polyani. The Fun Park is clearly visible from the road by a Chapel at the top of the piste and the Climbing Wall at the bottom.
